

The Suttie Group

Passionate about People, Partnerships & Performance

CEO – Mining - Vancouver

The Suttie Group is working on an exciting opportunity for a CEO to head a well-funded, Canadian, emerging development company with a diversified portfolio of projects in North America. With a large resource base the company is now focused on advancing its assets towards production in Canada, Mexico and the United States.

The ideal candidate has the following attributes and experience:

- Prior CEO role with a junior or a development stage mining company however 5 years as CEO with a near-term producer or producer is a definite plus
- Canadian mineral projects experience
- Transactional involvement with the sale of a company or mineral assets and/or prior M&A experience preferred
- JV and option arrangement involvement is an asset
- Proven track record for raising equity financing and capital markets
- You are a recognized name in the junior to mid-level mining industry, with meaningful contacts in the investment, private equity and institutional investment community
- You are part of an extensive network within major mining companies
- Technical exploration/mining expertise
- Possess a dynamic/entrepreneurial spirit, are a confident presenter, well-spoken and engaging
- Highly organized and effective team leader who is willing and able to travel on a fairly regular basis

If this is the opportunity you have been waiting for, you are qualified and hungry for an exciting challenge, please submit your resume or contact Elizabeth via the www.suttiegroup.com website.

Your confidentiality is assured and we look forward to representing you!
