

The Suttie Group

Passionate about people, partnerships and performance

General Manager - Open Pit - Colombia

The Suttie Group is working with a well-funded growth oriented gold producer focused on exploration, development and production. Its principal asset includes a 100% owned and operating open pit gold mine in Colombia. This is a ground floor opportunity for a seasoned bilingual mining professional whose stellar performance in this role could take you as far as the “C” suite!

If you /are:

- Bilingual English/Spanish and an effective communicator both written and oral.
- +15 years of solid and varied experience in operational roles including +10 years in senior mine management with demonstrated success meeting objectives and budgets.
- Dynamic and self-motivated with demonstrated determination to excel, committed to action and able to inspire these attributes within your team.
- Hold a University degree or equivalent in a mining related field with strong financial skills and understanding.
- Can demonstrate knowledge of latest practices, able to leverage technology and innovation in a mine setting
- Adept at managing diverse relationships, able to develop individuals and teams for sustained performance.
- Possess strong analytical skills and are strategic thinker.
- An effective problem solver and manager of conflict situations
- Highly motivated to move up on the back on your own achievements

Then let's talk...

If you are qualified for this position and are ready for a new challenge, please submit your resume in MSWord format to Elizabeth via the www.suttiegroup.com website.

Your confidentiality is assured and we look forward to working with you!
